INTERNATIONAL MUSTANG MEET – BYLAWS
Revised April 2026

Article I – Name & Purpose

The name of this organization is the International Mustang Meet, also referred to as IMM in these by-laws.
The purpose of this non-profit club is to foster friendship between Ford enthusiasts in Western Canada and Northwestern United States by getting together for an annual international car show event over the September Labor Day weekend.

Article II – International Mustang Meet Board and Representatives

1. IMM Board
    a. The IMM Board Members are elected from the IMM club membership, serving a 4-year term. The IMM Board consists of one (1) U.S. Co-Chair, one (1) Canadian Co-Chair, one (1) Recording Secretary and one (1) Treasurer.
    b. In the event that a Board member is not able to complete their term, a replacement will be nominated within 30 days of notice and voted on within 30 days following notice. Their term will begin immediately upon completion of the vote and the term will be the length of the remaining time of the exiting Board member.
    c. The IMM Board meets two times per year; one in person during the IMM event over the Labor Day weekend, and one in the spring, both in person and virtually.
    d. The IMM Board shall follow Robert's Rules of Order for conducting meetings and elections. The IMM Board Members are not voting members except in the case of breaking a tie vote. In the case of a tie vote, both the U.S. and Canadian Co-Chairs would need to agree on the tie-breaking vote. If that is not possible, then a re-vote would occur or the motion would fail.
    e. During election years, the nominations for the IMM Board Members open at the September meeting and close at or before the following Spring meeting. The election and installation of the new board members occurs at the Spring meeting. Elections should be done on paper or electronic/email ballots if any elected position has more than one candidate.

2. IMM Representatives
    a. Each International Mustang Meet member club should have two (2) IMM Representatives attend IMM Board meetings. These IMM Representatives may be elected or appointed by their club.
    b. If one or both of these IMM Representatives cannot attend the IMM Board Meetings in person or virtually, then they may appoint a proxy representative for them.
    c. Each member club may cast no more than two votes.

Article III - General Rules

1. Each Club wishing to host an International Mustang Meet in either the U.S. or Canada on the September Labor Day weekend must follow the following guidelines:

a. Initially contribute $200.00 U.S. currency (non-refundable) to the IMM Contingency Fund. This fund is used for the operation of IMM and most importantly to provide "seed monies" as needed to the upcoming Host Club to get their IMM started.
b. Agree to host a future International Mustang Meet within your state or province.
c. All borrowed IMM Contingency Funds shall be returned to the IMM Contingency Fund within 60 days of the completion of the meet.
d. The hosting club will make up a loss resulting from hosting the International Mustang Meet within a reasonable amount of time if unable to meet the 60 day deadline.
e. In the event any club would fold or cease to exist, or withdraw from IMM, the initial entry fee ($200.00 U.S.) will not be refunded.
f. To rejoin, a club would again need to contribute $200.00 U.S. to the IMM Contingency Fund.
g. An annual $50 IMM membership fee for each member club is due at the Spring meeting, payable to the upcoming IMM Host Club in the currency of the Host Club's country.

2. Each attending club will assist the Host Club as necessary (i.e. tech of vehicles, registration, games, poker runs, autocross, etc.)
3. No events shall occur at IMMs without the Host Club approval.
4. All vehicle registrations shall conform to the IMM judging rules and classifications (see attached judging rules and vehicle classification sheets).
5. A standard voting ballot has been adopted to be used at all IMMs with appropriate identification on form (Date, International Year, etc.)
6. Meetings
    a. At the Spring IMM Board Meeting it will be decided who will host the meet henceforth 2 years or more in advance of the scheduled meet. (Note: In person or virtual meeting will be in Calgary, Alberta if that year's show is in Canada or in Montana if that year's show is in the U.S.)
    b. At the September IMM Board Meeting, club representatives should be in attendance as scheduled by the Host Club at the Meet either in person or virtually.
7. Any Club not attending an IMM Board Meeting at either the Spring or September dates for a total of three consecutive years shall be deemed inactive so as to allow another club to possibly fill the vacancy. (See 1a & 1e above)
8. Any Club not conforming to the above protocol may be penalized or removed from future events pending a hearing to be held at the Spring meeting. At that time a majority vote by attending clubs will determine the outcome of any disciplinary actions.
9. All vehicles entering the Ford Classes must be powered by a Ford installed engine or be available or installed in a Ford production vehicle including Ford racing/motorsport engines/power-parts.
